

Patient Services

Are you looking for a position where you will be appreciated, well trained, and highly compensated?

LifeSmiles Dental in beautiful Fergus Falls has an excellent opportunity for an additional team member. **We have an immediate opening for a patient services representative.** The ideal applicant has excellent communication and multitasking skills, a positive attitude, a strong work ethic, and has flexibility with working various shifts. Previous dental experience is preferred but not required.

Our state-of-the-art practice thrives on strong patient relationships and the combined effort of our dedicated team. If you have a desire to share your skills, we are committed to your success through mentoring and a superior compensation package including health and dental insurance, retirement plan, and a flexible work schedule. All inquiries are confidential.
